1 Choose from these School-Approved Plans:

Around-the-Clock Plan

Accident-Only: The student is insured for covered accidents for full 24-hour a day protection, for school-connected accidents, and at home or away—at play—at camp—on vacation—scouting—amateur sports—youth group activities—or just playing in the neighborhood. Coverage for interscholastic tackle football played in or with grades 10–12 must be purchased separately.

Around-the-Clock with Sickness Plan

Accident and Sickness: Maximum coverage, maximum benefits. The student is insured for 24-hour a day protection for covered injuries or sickness, 365 days a year . . . at home, at school, or away. This plan pays benefits for accidents, as in the Around-the-Clock Plan, PLUS covers the student for covered medical expenses caused by sickness as listed in the Benefit Schedule (see Elite, Superior and Economy Plan). Dental expenses are accident-only.

Schooltime-Only Plan

Accident-Only: The student is insured while attending school when school is in session; participating in or attending activities sponsored solely by the school and directly and continuously supervised by a school official or employee, including all sports except interscholastic tackle football played in or with grades 10–12 (unless you purchase football coverage) as well as travel by school-furnished transportation during the school term; traveling to or from the Insured's residence and the school for regular school sessions; and attending religious classes, including travel. The student is not covered for overnight field trips.

Extended Dental Plan

Accident-Only: Increases the Dental Treatment Benefit for accidental injury to sound natural teeth under the Plans to a maximum of \$1,000.00 per tooth. This extended coverage is effective 24 hours a day even when selected with Schooltime-Only Coverage and ends on the opening day of school for the following Fall term. Premium for this Extended Dental Benefit is \$6.00 under all plans. Extended Dental Coverage may *not* be purchased by itself.

Football Coverage

Covers injuries caused by accidents occurring while participating in interscholastic tackle football played in or with grades 10–12, or while traveling as a team member in a school-provided vehicle to or from football games or practice, when such travel is sponsored by the school and supervised by school employees. 9th grade tackle football coverage is provided under the Schooltime-Only or Around-the-Clock Plans.

2 Additional facts about the Plans:

Effective and Expiration Dates: Applicants are covered as of the date the enrollment form and applicable premium are received by the school or authorized agent, but not prior to the opening day of school. The expiration date of coverage under the **Schooltime-Only Plan** is the close of the regular nine month school term, except while the Insured is attending academic classroom sessions, exclusively sponsored and solely supervised by the school during the summer; in such case coverage will terminate at the end of the summer classroom sessions. **Around-the-Clock** coverage ends on the opening day of school for the following Fall term. **Football Coverage** starts the first day of authorized practice, provided premium is paid prior to that date, and expires 7/1/19.

Student Accident Insurance covers accidental bodily injury sustained during the term of insurance and which causes loss directly and independently of all other causes. **Student Sickness Insurance** covers sickness first becoming manifest during the term of coverage. Insurance is good anywhere. For example, if the student buys the Plan at school and the family moves, coverage will continue until the close of the school term at any new public or parochial day school. There is no limit to the number of accidents or sicknesses a student can have paid under the Policy.

3 Your choice of benefits

The Policy will pay up to **\$50,000.00** for covered expenses incurred as the result of Accidental Bodily Injury which occurs, or sickness first becoming manifest during the term of coverage (if Sickness Coverage is purchased). This first such expense must be incurred within 30 days of the covered accident or sickness, and the covered treatment, care or service rendered within 52 weeks of the accident or first treatment for sickness. Benefits for covered expenses shall not exceed the specified amounts. The first \$100 of covered expenses incurred as a result of each covered accident or sickness claim will be paid, regardless of any other insurance. If expenses exceed \$100, the claim will then be paid on *****AN EXCESS BASIS**, if other insurance or medical service plans are involved (see **LIMITATIONS**). All benefits are per accident or sickness, unless otherwise specified.
