[https://support.mobymax.com/](https://support.mobymax.com/)

**GYSTC Professional Learning (Virtual)**
[https://gystc.org/virtual-professional-learning-workshops/](https://gystc.org/virtual-professional-learning-workshops/)

---

### Principles & Strategies for addressing unfinished learning.

1. Stick to grade level content & instructional rigor
2. Focus on the Depth of instruction, not the pace
3. Prioritize content and learning
4. Ensure inclusion of each learner
5. Identify and address gaps in learning through instruction rather than standardized testing
6. Capitalize on commonalities, not differences

---

### 2020-2021 Vertical Meetings
